Trade; Continents; 100 people; Longitude & Latitude.

Unit Title – LIVING IN COMMUNITIES

Topic 1, Lesson 1 - Living in Communities

Learning Outcomes:

- What is a community? Families and other groups who live or regularly do things and ‘belong’ together are called communities.

Topic 1, Lesson 2 - Living in Communities

Learning Outcomes:

- How to read and draw a map or diagram of a classroom, school property, and island. Learn how scale works on maps and diagrams.

You might need to take an extra lesson to cover this topic.

Topic 2, Lesson 1 - Our School Community

Learning Outcomes:

- What a star diagram is. Learn about our school; how many people, its location, its organisation, its history and how its buildings came about.

You might need to take an extra lesson to cover this topic.

Topic 2, Lesson 2 - Our School Community

Learning Outcomes:

- Communities don’t just happen, they develop by work. Learn what makes a school community run well.

Topic 3, Lesson 1 - A Village Community

Learning Outcomes:

- Learn what is a pie chart, how to read it and how to draw one. Learn what a field sketch is, and how to draw one.

You might need to take an extra lesson to cover this topic.

Topic 3, Lesson 2 - A Village Community

Learning Outcomes:

- Differences between living in a village or town.
- Learn what is a survey, and its benefits.

Topic 4, Lesson 1 - A Village Survey

Learning Outcomes:

- Learn about a village by doing a survey (location, population, communication, facilities, work and history).

You will need to take extra lessons to cover this topic.

Topic 4, Lesson 2 - A Village Survey.

Learning Outcomes:

- Learn how to draw a map, plans and sketches of the village you surveyed.

You might need to take an extra lesson to cover this topic.

Topic 5: A Village in Indonesia.

Learning Outcomes:

- Compare a typical village and family community in Indonesia with a typical one in Vanuatu.

Topic 6, Lesson 1 - Finding out about Life in Other Countries.

Learning Outcomes:

- Research how people live in other countries.

Topic 6, Lesson 2 - Finding out about Life in Other Countries.

Learning Outcomes:

- Make displays about the people you researched.

You might need to take an extra lesson to cover this topic.

Topic 7, Lesson 1 - Our Communities and the World.

Learning Outcomes:

- Learn the connections between us and other countries, through trade, communications and travel.
- Learn where products at a typical shop in Vanuatu come from.

Topic 7, Lesson 2 - Our World Community (CURRENTLY OVER 7 BILLION people).

Learning Outcomes:

- Learn the populations * of the world's 7 continents

**Note that the population numbers in the book are very out of date (published in 1992).*
